Performing Arts Scholarships at Trinidad State College

Trinidad State College is proud to announce five full-time scholarships in Theatre and Technical Theatre! These scholarships are made possible by the generous support of the Trinidad State College Foundation.

Performing Art Scholarship Opportunity:

Trinidad State College is proud to offer Associate degrees in Theatre and Technical Theatre. These programs provide students opportunities to learn more about creative arts industries that will lead to further studies or lucrative employment in these fields. Trinidad State's "degree with designation" system enables graduates of the AA program to transfer to any Colorado public institution as a junior in a 4-year Bachelor's-granting program.

About the Scholarship:

Students can begin applying today for the Performing Arts Scholarships. These five scholarships will be awarded by the Trinidad State College Foundation. The funds will fully cover students' on-campus, in-state tuition, including room and board. Exact scholarship amounts will reflect other financial aid awards; the final value of each scholarship will be determined by the Trinidad State Financial Aid office in collaboration with the Trinidad State College Foundation. The Arts department is looking for students who wish to expand their skills, transition into the professional theatre world, and/or further their studies in a 4-year program after graduation.

Fields of Study: ***Theatre and/or Technical Theatre***

Eligibility Criteria:

Students must:

- be a Colorado resident,
- be eligible to receive financial aid
